

Please be advised that our MBTelehealth Service Desk phone number is changing effective May 11, 2017.

We are expanding MBTelehealth support services to better support you and our ever-growing user base, 24 hours a day, 7 days a week.

Our new phone number for all technical support inquiries and scheduling services will be:

204-940-8500 Option 4
or
toll-free at 1-866-999-9698 Option 4

Menu option 4 at the Manitoba eHealth Service Desk will be solely dedicated to MBTelehealth inquiries. When you call for technical support, you will have access to the entire Manitoba eHealth Service Desk team for assistance.

MBTelehealth materials will be updated to reflect this change and sent to your site in the near future.

Please update your records if you have saved or pre-programmed our MBTelehealth Service Desk phone number.
