

The 1st step in preparing for your virtual visit is to test your computer at least 1 day before your visit. Follow the steps below to complete the test.

- ! You must use Google Chrome in order to connect from your computer.
- If your computer does not pass the test, please contact your clinic directly for assistance.

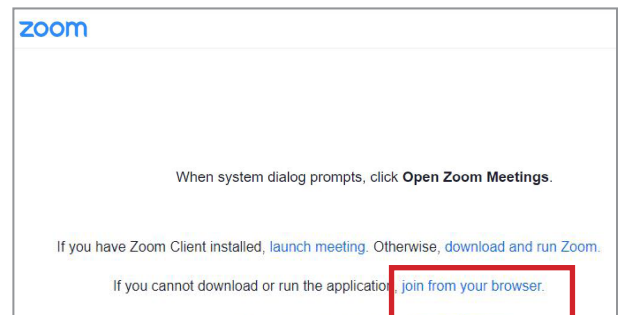

1 Click on this link to begin the test <https://zoom.us/test> and then click **Join**.

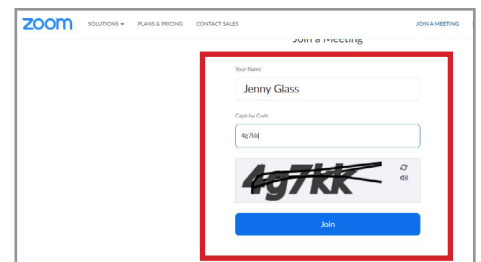

2 If you see this message, click **Cancel**.

3 Click **Join** from your browser.

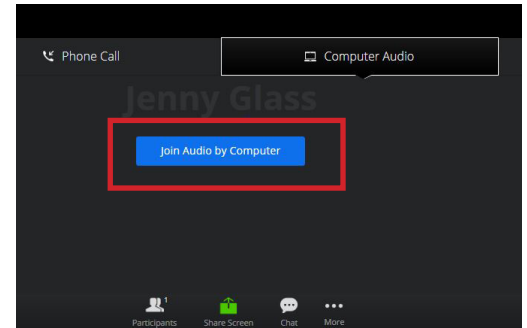

4 Enter your first and last name and the captcha code and then click **Join**.

⚠ If you get any messages asking to use your microphone or camera, click **Allow**.

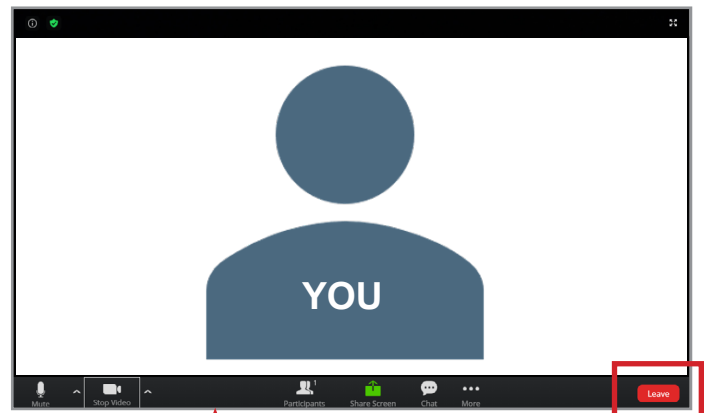

5 Click **Join Audio by Computer**.

6 You should see yourself on the screen.

Your test is now complete.

7 Click **Leave** in the lower right corner of the window, and then click **Leave Meeting**.

Move your mouse to make the toolbar reappear.

⚠ Remember to connect at least 15 minutes before the start time on the day of your virtual visit.
