Quick Reference Guide
eConsult Log In - MFA Token

Service Desk 204-940-8500
or toll-free 1-866-999-9698

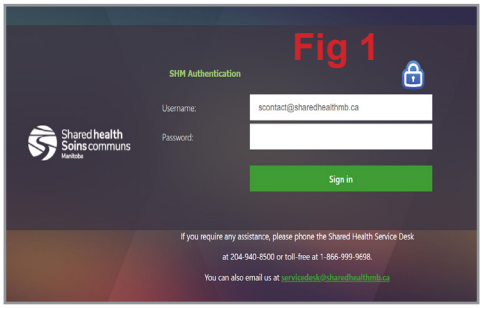
Generate a code on the token

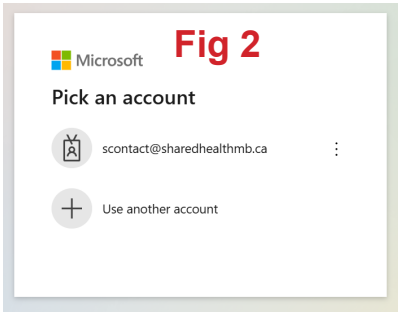
1. Press the power button to turn the token on and generate a unique code.
2. The code will be used to log into eConsult as shown in the section below.
3. Press the power button to turn the token off (it will automatically turn off after 45 seconds).

Note: If you turn the power off within the 45 seconds and turn it on again, the same code will appear until the 45 seconds has passed at which time a new code will be generated.

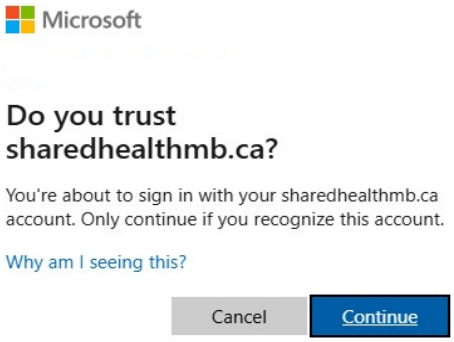
Initial log in to eConsult

1. Click on the eConsult login link https://mb.eceptionist.com/mbt7.6/. Enter your Shared Health network email address and password and click Sign in (Fig 1). The next time you log in, you will just pick your account (Fig 2).

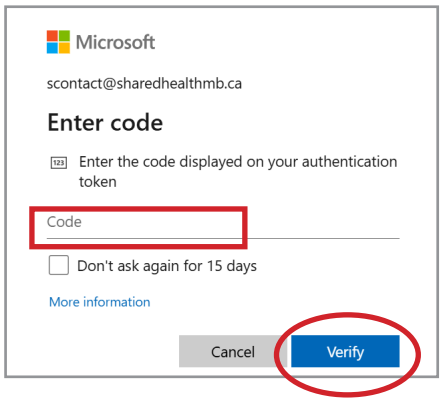


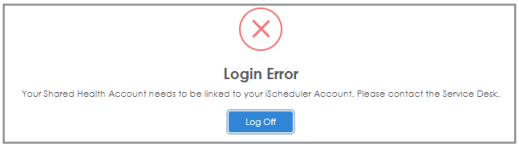


2. Click contine



2. Press the power button on your hardware token, enter the code, and click **Verify** which will log you in. (Note: You will need to accept the Terms of Use the first time you log in.)





Contact the Service Desk if you see this message as your accounts will need to be linked.
